

## From the Backyard Bees to You

*Backyard Bees* is a local woman-owned business located in Sunnyside, Queens. Founded by a beekeeper who is an avid organic gardener and lover of all things green, Backyard Bees products are made using local ingredients from the bees, the backyard, and of course, high quality suppliers!

-  Plant-based– no animal fats are used
-  Naturally scented with essential oils *or* fragrance-free – no synthetic fragrances are used
-  Rustic and simple – no swirls, no rainbows, no cupcake shapes
-  Eco-friendly – no chemicals, no residues
-  Air-cured for 6 weeks or more – for harder, longer lasting bars of soap
-  LUXURIOUS – moisturizing, creamy, cleansing
